Dave Pelz Scoring Game® School

The Dave Pelz Scoring Game School returns to our Golf Academy in 2018—one of only two Dave Pelz golf schools available in the Midwest. The Dave Pelz golf school curriculum focuses strictly on what is defined as "The Scoring Game," a combination of the short game and putting, which comprise 60 to 65 percent of the total number of shots played per round. Choose from 3 or 2-day schools or 1-day clinics available on select dates June through September.

Three Courses - One Clubhouse

The Bear, The Wolverine and Spruce Run - begin and end at our Northwoods inspired Clubhouse. From spectacular northern forests and orchards to manicured greens and stunning views, from 'you thought of everything amenities' to stellar customer service offered to every one of our golfing guests: Grand Traverse Resort and Spa is the Midwest's premier golf destination.

Bring out the best in your game on three championship courses:

THE BEAR - Designed by golf legend Jack Nicklaus, The Bear is our best-known golf course and described as one of the toughest in America. You'll quickly appreciate this beautiful par 72, links-style course featuring Scottish terraced fairways, tiered greens, deep grassy roughs, moguls, mounds, and deep pot bunkers. Lakes, ponds, hardwood forests, streams, and fruit orchards are home to a variety of wildlife that give The Bear its character: golf in the midst of wild nature.

THE WOLVERINE - Gary Player's signature course weaves through water and wetlands on the front nine, and highland terrain with views of Grand Traverse Bay on the back nine. Flexibility, versatility, and playability are built into this unique course, which offers four sets of tees on each hole.

SPRUCE RUN - Spruce Run was aptly named to reflect the numerous fir and spruce trees that line its fairways and undulating greens. A challenging, entertaining course, it winds through rolling hills, and overlooks East Grand Traverse Bay.
