## THREE COURSES - ONE CLUBHOUSE

The Bear, The Wolverine and Spruce Run begin and end at our Clubhouse. From expansive northern forests and orchards to manicured greens and stunning views, Grand Traverse Resort and Spa is the Midwest’s premier golf destination.

Open seasonally, The Grille is located inside the Clubhouse and provides delicious lunch and dinner options overlooking hole 18 of The Bear.

All golf cars feature GPS to enhance the on-course experience.

## BRING OUT THE BEST IN YOUR GAME ON THREE CHAMPIONSHIP COURSES

**THE BEAR** - Celebrated as one of the most challenging golf courses in Michigan, The Bear was ranked as the 18th toughest course in America, according to Golf Digest. Designed by Jack Nicklaus and opened in 1985, its design features Scottish terraced fairways, tiered greens, deep grassy roughs, moguls and mounds, and deep pot bunkers. The Bear is a mix of many elements golfers rarely see on one course.

**THE WOLVERINE** - The Wolverine, Gary Player’s first signature course in the state of Michigan, is designed to take full advantage of the Resort’s richly diverse environment. The design’s flexibility, versatility, and playability with seven sets of tees allow the course to be set up to accommodate golfers of all abilities.

**SPRUCE RUN** - William Newcomb’s Spruce Run was aptly named to reflect the numerous fir and spruce trees that line its fairways and undulating greens. A challenging, entertaining course, it winds through rolling hills that surround the Resort.
