

2024 JUNIOR GOLF PROGRAM

GRAND TRAVERSE
RESORT AND SPA

The Junior Golf Program at Grand Traverse Resort and Spa's Golf Academy is dedicated to bringing the game of golf and its values to its young students.

The professional staff is devoted to creating positive experiences for young players. Certainly, improving golf skills of the youngsters is one objective of the program, but there are other benefits as well. Playing golf, at any experience level, will expose your youngsters to some of the positive values that golfing situations can provide, such as honesty, courage, courtesy and fairness.

The Junior Golf Program is divided into four divisions. Little Linksters are beginner golfers from age five to eight. The instructional sessions are held on Tuesdays and Thursdays, beginning June 18 and finishing July 25. *(No class July 2 & 4)*

The program times are as follows:

Little Linksters 12:00pm - 1:00pm

All Girls 1:30pm - 2:30pm

Boys Intermediate 3:00pm - 4:00pm

Advanced Class 5:00pm - 6:00pm

The fee for the program is \$225 per student. Class size is limited to the first 10 children signed up in each age group. That's 10 hours of instruction encompassing short game, full swing, course strategies and video of each juniors golf swing.

The golf professionals at the Grand Traverse Golf Academy are proud that you have chosen us to expose your child to the experience provided by our Junior Golf program.
